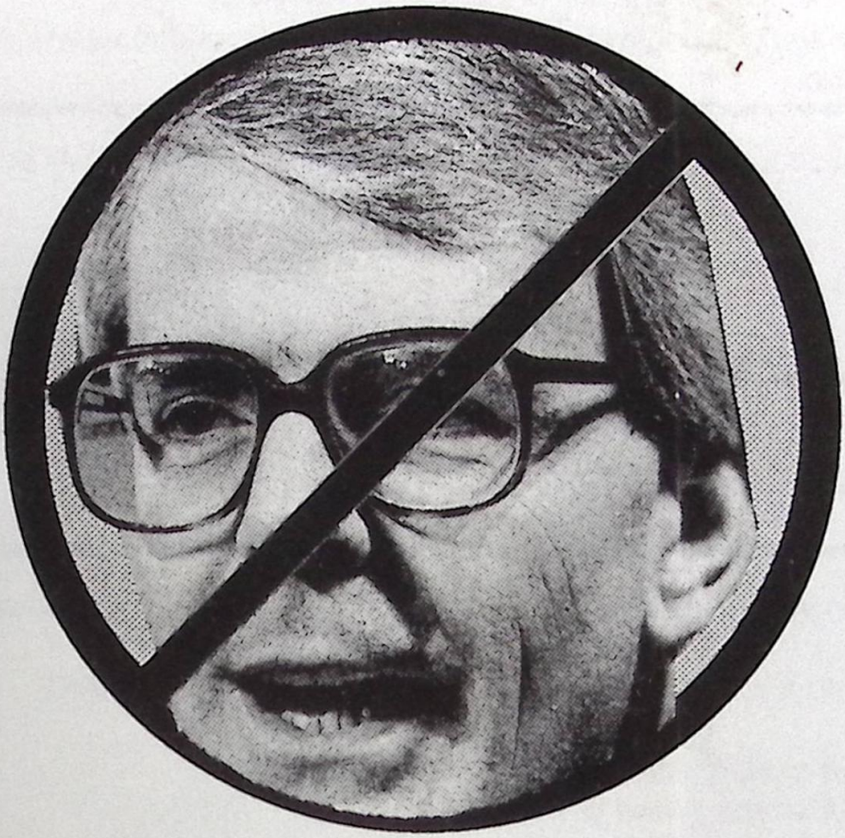
TORY FREE ZONE



HARTCLIFFE - *A TORY FREE ZONE*

On April 9th - General Election day, Hartcliffe people voted by a majority of 10,000 to keep the Tories out.

By the next election, we will have put up with 18 years of Tory rule. Some of us will never have seen anything but this bunch of thieves running the country.

Across the world, from Croatia to Scotland, the current craze is to declare your area independant of National Government.

On May 23rd 1992 we will beat the Scots to it and declare Hartcliffe a ***Tory Free Zone.***
Our independence celebrations will begin at:

12:00 midday at Symes Avenue,

and at 1:00 pm a triumphant march will begin leading to Hartcliffe way roundabout where the first border posts will be set up.

On this day, Tory laws will cease to have any effect in Hartcliffe, forever. There will be;

- ***NO POLL TAX***
- ***NO TV LICENCES***
- ***NO WATER RATES***
- ***NO RENT RISES.***

Free Hartcliffe will banish the following people from its area:

- ***DHSS SNOOPERS***
- ***BAILIFFS***
- ***TORY COUNCILLORS***
- ***THE RICH.***

Already suggestions to brighten up our new independant zone have been flooding in. Most popular are;

Turn the Wills factory into a Eurodisney, otherwise known as ***"HARTCLIFFE WORLD",***
Redirect ***EUROTUNNEL*** *to Hartcliffe,*
Stage the next World cup in the Brand new ***Wills Stadium,***
Open the new Hartcliffe ***Metro Station*** *with the bullet train, (1 stop to Central Bristol).*
On Independance Day, tune in to hear ***"RADIO FREE HARTCLIFFE"***

If you can"t wait another 5 years then come and celebrate the end of Tory rule, and the start of a bright new future on...

HARTCLIFFE INDEPENDENCE DAY MAY 23rd

HARTCLIFFE TORY FREE ZONE

You know it makes sense.
